

Our Blueprint contributes to 8 of the United Nations Sustainable Development Goals

O₂

Build a greener future

Promote the use of affordable, safe, sustainable and modern energy for all.

Support sustainable consumption and production models

Take urgent action to fight climate change and its impacts

Help society thrive

Boost connectivity and foster innovation

Reduce inequality and champion inclusion

Enable communities to benefit from the development and use of smart technologies

Lead by example

Achieve gender equality.

Promote sustained, inclusive and sustainable economic growth and decent work for all
